## County and Upland Partner to Improve Road

SAN BERNARDINO - The Board of Supervisors on Tuesday approved a cooperative agreement with Upland to completely rebuild a stretch of 24<sup>th</sup> Street on the city-county border.

"Anyone who drives on 24<sup>th</sup> Street knows how much this project is needed," Second District Supervisor Paul Biane said. "The partnership approved by the Board and the Upland City Council means we can get the project moving."

The Upland City Council approved the agreement on May 22.

The project entails the reconstruction of 24<sup>th</sup> Street from San Antonio Avenue to just east of Cliff Road. The County agreed to pay for 60 percent of the project. Upland will cover the remainder in two installments over the next two fiscal years. The project is expected to cost about \$748,800. The County will be the lead agency for the design and construction of the road.
